Running my own company together with a friend. Working as a graphics designer and webdeveloper. Doing everything from Analog to Digital
August 2003- June 2005

Awarded Young Entrepreneur

During my time as an upper secondary school student I spent most of my free time running my own company and getting involved in different entrepreneurial projects. Like the school cafeteria, party activities for teenagers and more. I was awarded for my talent and received scholarship and first placement in competitions.
During 2004

Running the school student's council

Help to form, establish and manage the student's council. And helped develop a regulation for all the schools in the nationwide school chain John Bauergymnasiet.
August 2001 - June 2004
